¹ **CONTRACT OFFICER BULLETINS** - From time to time, it is expedient to issue information, guidance, or directives on certain construction contract matters. Such communications can best be accomplished through the medium of 'bulletins'. These bulletins are "interpretive" in nature and serve to inform and direct. They reflect the departments' policy on the issue being addressed. If a conflict between a bulletin and a statute or a formally adopted regulation is found to exist, the law/regulation takes precedence [ref. AS 44.62.640(a)(3)]. Comments or suggestions are appreciated and can be directed to Jim Beeson @ JIM_BEESON@dot.state.ak.us, phone, 465-6965, Fax 465-4010.
